DID YOU KNOW THAT YOU CAN TEXT RUPD!

You can now text RUPD when you feel unsafe in the Rutgers–New Brunswick campus and community!

Follow the steps outlined below to initiate a message today:

1. Text RUNB and your message to 69050

2. If your message is successfully delivered to the RUPD, you will receive an auto-reply.

3. If you do not receive a response, please be sure that your phone's auto-correct did not change any of the required information and that you included a space after RUNB.
